1<sup>st</sup> October 2025

Dear Parents of Hensting Class,

Each alternate year we aim to offer a residential visit for children in Hensting class. This year we have booked Avon Tyrrell Outdoor Centre in the New Forest for our residential visit which will last four nights from **Monday 8<sup>th</sup> June - Friday 12<sup>th</sup> June 2026**.

The trip is offered to all children in Hensting class who wish to attend.

**The cost of the residential visit this year will be £325.** This covers the stay at Avon Tyrrell Outdoor Centre for 4 nights, including accommodation, 3 hot meals a day and all activities led by qualified instructors, including evening activities.

**This price does not however currently include the cost of transport.** Last time the transport cost was £850 for a bus to take children to Avon Tyrrell on the Monday and return on the Friday. Miss Neill has mentioned to parents at the parent meeting about parents dropping their children off and collecting them to reduce the trip cost. If any parents would be willing to help with this and hold a current MOT and insurance certificate for their vehicle, please let the school office know by half term. If this is not offered we will have to look into hiring a coach for one or both journeys and this will be an additional cost.

**In order to secure your child a place for Avon Tyrrell, we ask for a deposit of £50 to be paid by the end of November.** We ask that this is paid through SCOPAY or via cash in the school office. We can accept payment in instalments or in one amount if preferred. Please contact the school office if you wish to discuss payment.

Yours Sincerely

Lucy Chaplen

Headteacher
