## Breakfast Club Sept - Dec 25

We have had a great year in the breakfast club. With the children enjoying many of the activities to get them energised for the day. The children have certainly enjoyed all the various activities in the morning whether its sports or arts crafts. We look forward to introducing the Year R pupils to the breakfast club and welcoming back everyone after Summer.

## Next term

We have been very busy making improvements at the club to benefit the children. Next term we will have many new activities to get the children energised for the day. There will be a new and improved arts and crafts in the morning, along with more board games for the children to enjoy
