

Learning Forecast - Superheroes

Autumn 2

Morestead Class

English

The children will write a presentation to inform and a story to entertain their parents.

Y1 Capital letters, full stops, finger spaces, letter formation and using the correct phonemes to spell.

Y2 Spelling common exception words, using conjunctions, writing in the correct tense, using commas in a list and contractions.

Children should make sure they are reading at least 5x per week and recording this in their reading planner.

Maths

Y1 Addition and subtraction, multiplication and division in 2s and fractions and geometry.

Y2 Multiplication and division, number and place value and addition and subtraction.

Children should access Numbots at least 3 times a week at home.

Reminders

Children to bring book bags and water bottles in to school daily.

ONE healthy fruit snack in their book bag if they are not eating the free fruit on offer in school.

Please ensure everything is named. We have had a lot of lost property in the past term and if items are not clearly labelled it is difficult to find their original owners.

Computing

Beebots

Children will learn what algorithms are and how to debug programs.

Art

Drawing - Andy Warhol

The children will use a range of drawing materials to create their own Superhero pop art.

History

Lives of significant individuals

The children will learn about Florence Nightingale and look at the differences between medical care now and then.

Music

Christmas Jigsaw

The children will learn the songs for our Christmas Nativity.

Please support your child to learn their lines.

PE

Tuesday: Dance

Wednesday: Gymnastics

PSHE & RE

Keeping myself safe

Love - Christianity
